Welcome to Spokane Sport Horse Farm

Welcome all participants, families, sponsors, volunteers and spectators to our 9th annual Spokane Sport Horse Fall Horse trials. We are very pleased indeed to welcome and thank our amazing sponsors. Our FEI sponsors have contributed money and product to allow us to offer cash prizes for the FEI divisions in our foray into International level Eventing.

We were pleased to offer the first modified course in area VII and now the first CCI-S 1* as well as our CCI 2 and 3 star divisions. This step to an FEI event is a big undertaking and we are very grateful for some of the very special sponsors who are helping underwrite the costs of these divisions. Our FEI course designer Adri Doyal has been working hard to revamp courses and build new fences. We purchased additional equipment and have worked hard on footing despite zero help from Mother Nature this year. The new front water complex will be a super addition.

We have an excellent team of officials and staff. They work many hours to keep the competition running smoothly and safely while providing a 'level playing field' for everyone.

We offer seven USDF/USEF dressage shows with a special USEA registered horse high point award as well as serve as the home base for many clinics, schooling shows and even the USEA Area VII Adult Rider camp. Keep those May and end September dates in mind for our USEA events. We also offer USEA educational one day competitions in the spring and fall as well.

Feel free to volunteer or thank other volunteers and sponsors. Some of our volunteers have returned for every event! We welcome and appreciate your input as to how we can improve this event and earn your continued interest and attendance. Many of the changes we have brought about came from your excellent suggestions. If you are riding in your first ever USEA event please sign the sheet in the office so we can get you your welcome to the Eventing family gift from us at SSHF. Thanks to all for making this our biggest and best event so far and HAVE A GREAT RIDE!

With gratitude, Christel and Cyra Carlson

Meet Your Officials

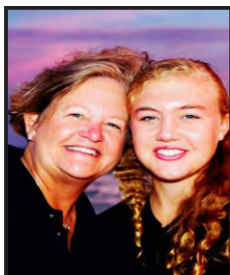

Lynda Ramsay ~ High Performance 3 day Event Coach NCCP/EC ~ FEI Three Day Event Judge ~ EC Level 3 National Eventing and Jumper Judge ~ EC Basic Dressage Judge ~ Past President and Director for KRC, and BC Eventing.

Lynda, her husband Daryl and daughter Melissa operate 'Mission Creek Ranch' in Kelowna, BC. Lynda's coaching caters to dressage, helping jumpers with their 'flatwork' and eventers in all phases. She enjoys working with both competitive and recreational riders. The Mission Creek Ranch Derby is a great seasonal eventer outing each summer, hosted by Lynda and Daryl and the entire Ranch family.

Jane Hamlin is an active event and dressage rider, trainer and coach based at Pirouette Farm in Norwich, Vermont in the northeast portion of the USA. Her positive attitude with an emphasis on teaching good basics has produced successful riders at the beginner level through the Olympic level. She enjoys teaching both adult amateurs as well as young riders and is a popular clinician. In addition to riding and teaching Jane maintains her FEI judge's license through the 5 star level as well as USEF national event and dressage judge's license.

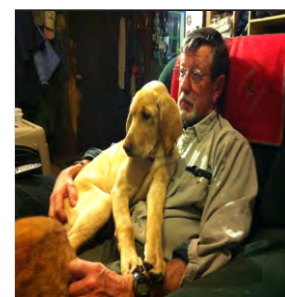

Her judging career includes such exciting jobs as judging at Adelaide 4* event in Australia, the 6 and 7 year old event horse championships at Le Lion d'Angers in France and the European YR Championships at Montelibretti, Italy. Jane has also been on the ground jury of Land Rover Kentucky, the World Equestrian Games in Tryon, NC, Badminton and the Pan Am Games in Lima, Peru. In 2020 Jane was honored to be on the ground jury for eventing at the 2021 Olympic Games in Tokyo.

Christel Carlson is an "S" dressage, "R" DSHB, FEI 4* paraequestrian and "R" Event judge, and is also YEH and FEH certified. She is the owner of Spokane Sport Horse Farm, a 150 acre boarding, breeding, and show facility, where she has hosted Dressage shows for 29 years, and two USEA events per year since 2016. Christel competed for years on horses she bred and trained, first in jumpers, then eventing, and eventually dressage, earning her bronze, silver, and gold USDF medals. Owning the SSHF event facility is the fulfilment of a lifelong dream, which she shares with her daughter Cyra along with a love for horses.

Malcolm Hook is in his fourth decade of blowing hot air at Horse Trials up and down the west coast. He has no idea why he wanted to do this in the first place but will admit that it has kept him out of bars and pool halls and to a lesser extent trouble since 1981.

When at home and not talking, the hot air builds to dangerously high levels and he must be weighted down with a Labrador Retriever to prevent his floating up the ceiling.

Jonathan Horowitz broadcasts horse shows and horse races all around the United States. Among them are the Young Event Horse West Coast Championships and the Retired Racehorse Project Thoroughbred Makeover, two causes about which he is particularly passionate. Jonathan also serves as the Acting Director of the Arabian Jockey Club and runs the Super G Sporthorses eventing barn in Colorado with his wife, Ashley. He can be reached on Facebook and Twitter at @jjhorowitz.

Meet Your Officials

Whitney Eggers hails from NY but for the past 22 years has called home her small facility located in Emmett, Idaho fondly referred to as An Event Barn.

Back in “the day”, Whitney competed both at Radnor and Essex three day horse trials riding at the preliminary level in the long format. In addition to competing in many preliminary events on multiple horses in area II, Whitney coached riders at all levels of eventing.

Though her riding career was shortened due to late onset rheumatoid and osteoarthritis, Whitney chose to continue her passion for horses, eventing, and eventers by pursuing officiating positions with the USEF since 2008.

Whitney has been teaching science at the middle school level for 34 years. When not teaching in the classroom, you can find Whitney enjoying her animals at home, hosting a horse show or officiating for the USEF.

Amanda Wilgenberg has been involved in the horse world since she was about 8 years old. She has competed in English, Western, Arabian, Jumping and Dressage. She enjoys judging and teaching, and tries always to give constructive and helpful feedback for horse and rider. Little known fact? She drove highway truck (doubles no less!) for 5 years and still has her CDL.

Christina Gray Event Secretary has been Secretary/Event Management for some of the biggest events in the USA. (The event formerly known as Rolex for example) We are thrilled to welcome this level of expertise to our events. She travels from her home base in Kentucky. Many of you will recognize her from Rebecca Farm or Aspen events in our area. She has experience as a rider and groom as well so she understands the rider's needs and concerns well.

Cindy Deporter is a FEI TD and FEI Event Judge she is also a S TD and E Judge. Cindy is part of the USEA's Licensed Officials Committee and helps train officials in the US. She is retired from state government and lives on her small farm with her three horses, including Ana shown in the picture, two donkeys, a cat, and a pet pig!

Diane Royce On the three thoroughbreds she competed in Region VI, Royce & her horses have received 45 USDF Awards including 25 first places in All-Breeds & five placings in HOY. Originally a choral music teacher, Diane has been seven times a national champion of musical freestyle & has coached ten separate quadrille teams. A Former USDF Awards Committee member & PM Delegate to the USDF Board of Governor's for multiple years. Diane resides in Walla Walla, WA and Tucson, AZ.

Gail Mackie has managed many nationally recognized shows for both INDA & SSHF. She started riding as a small child, herding cattle and trail riding, and enjoying training and raising Sheltand ponies. In 1994, she purchased Lipizzan stallion, Conversano Natasha II-I and her first English saddle, and began lessons. Gail has served as farm manager at SSHF for many years.

Ali & Nick Holmes-Smith have taken over the future of these horses, which is very exciting for all involved. Wendy was a founding director of Las Vegas Equestrian Events, Inc., the Equestrian Medical Safety Assoc., the Eastern Townships Children's Horse Events, and created The Event Derby® series of competitions. Competitor & Spectator Reminders

- **Horses have the Right of Way at all times.** They move at great speeds. **“Heads UP!”** means clear the way now!
- **Do not offer assistance to competitors**—they can be eliminated by any type of assistance, even clucking.
- **Withhold applause and encouragement** until the competitor has negotiated the obstacle.
- **Follow any instructions given you by the cross-country jump judges.** It is their responsibility to keep the area safe for horses and riders. **For safety reasons children must be supervised at all times.**
- **Dogs must be kept on a short, fixed-length leash (not retractable) at all times,** including on the trails. A \$50 fine will be imposed (donated to SpokAnimal) for dogs off leash. Please be responsible and clean up after your dog. If you walk the course with your dog do not leave any unwanted presents behind.
- **No motorized vehicles allowed on the cross-country courses.** Courses may be walked on foot or by bicycle.
- **No fires, no charcoal grills, and no smoking!** Only propane grills are allowed on facility grounds.
- **Be generous with a smile and a “thank you” to our numerous working volunteers.**

LIMITATIONS ON LIABILITY FOR EQUINE ACTIVITIES

Spokane Sport Horse Farm are “equine activity sponsors” as that term is used in RCW 4.24.530(3). Equine activities involve inherent dangerous risk of accident, loss, and serious bodily injury, including broken bones, head injuries, trauma, pain, suffering, or death. Under Washington State law, except as provided in RCW 4.24.540(2), an equine sponsor or an equine professional shall not be liable for any injury to or the death of a participant engaged in an equine activity, and, except as provided in RCW 4.24.540(2), no participant nor participant's representative may maintain an action against or recover from an equine activity sponsor or an equine professional for any injury to or the death of a participant engaged in an equine activity.

The Washington State Equine Limitation of Liability Act, RCW4.24, applies to all horse-related activities associated with Spokane Sport Horse Farm. Horses by their very nature present a risk of injury, harm or death. Riders represent that they are qualified to participate in the activities and at the levels they elect. All horses on the property participate entirely at the owner's and rider's risk. The owner/rider is personally responsible for damages to third parties caused by themselves or their horse.

A QUICK DRESSAGE PRIMER

the letters originated from is not certain, but an article in the British Dressage magazine (June/July 2000), states that in the old Imperial German court, the walls of the stable yard were initially marked with letters indicating where each courier and/or rider's horse was to stand awaiting it's rider. Eventually, the royal stable yard was used for schooling, training and exercising of the horse, hence the current use of the letters in the dressage arena.
